

KIDSFLEX ^{R129} Edition

Kidsflex has been crash tested recently under R129 regulation. Kidsflex is the most advanced car seat on the market, fully adjustable with a great range of accessories to provide optimal postural support.

The Kidsflex is available in three sizes and has a weight user limit of 100 Kg making it the number one choice for teenagers. The Kidsflex shell can be customized in size and can also accommodate molded seats for more complex postures.
